Candidate Interview Report

Candidate:

Experience Level:

Technology:
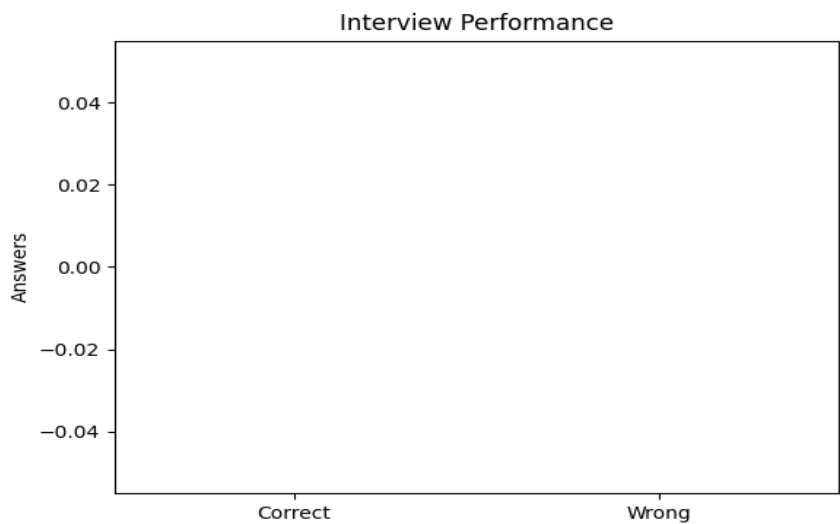

Final Result

Status: FAIL

Hire Recommendation: Reject

Interview Score

Score: 0 / 0 (0%)

Interview Feedback

Coding Challenge Result

Score: 0

Verdict: FAIL

Feedback:

The candidate did not provide any code solution or logic addressing the problem. They only wrote a fragment unrelated to the task (styles["Heading3"]). As a result, the submission does not demonstrate any understanding or implementation of the algorithm to find the maximum profit with at most two transactions.
